

Instructions for Moodle:

1. Log in to Moodle: http://moodle.tau.ac.il/	
2. Switch to English on In the top left corner	
3. Click the "Click here to connect"	
<p>4. On the next page, log in with your university username, your ID (9 digits), and your password.</p> <p>If you do not have a university user name, forgot your password, or have a problem logging in, please contact the Computing Division Support Center or the Computing Coordinator of the Faculty.</p>	
<p>5. Please note, if this is your first time on the Moodle website, a policy agreement notice will appear. Please read and accept it. Once you have accepted the terms, the courseware website will open.</p>	
<p>6. After login:</p> <ul style="list-style-type: none"> ▪ Your name will appear in the top right corner ▪ The list of courses will appear under the header "My Courses". ▪ Clicking the course number will lead to the course homepage. 	
<p>7. Please notice that:</p> <p>The e-mails and the messages will be sent automatically to your university address, which is written as follows: <code>username@tauex.tau.ac.il</code>. Note: this address cannot be changed to a different one than your university e-mail address, but you can automatically redirect the e-mails to another email address. For questions regarding the university email, please contact the Computing Division Support Center or the Computing Coordinator of the Faculty</p>	
<p>8. When first requested, Moodle courses are hidden from students. You should Change Course Visibility when the sites are ready for use.</p>	
<p>9. If you have a Teaching Assistant you can give them access to your courses: Go to the navigation bar on the left side, then click on "Add teaching assistant":</p>
