

## Instructions for Moodle:

1. Log in to Moodle: <http://moodle.tau.ac.il/>

2. Switch to English on the top bar

3. Click the "Log in" button at the top right corner

Log in

4. On the next page, log in with your university username, your ID (9 digits), and your password.

If you do not have a university user name, forgot your password, or have a problem logging in, please contact [the Computing Division Support Center](#) .

5. **Please note, if this is your first time on the Moodle website, a policy agreement notice will appear. Please read and accept it. Once you have accepted the terms, the courseware website will open.**

6. After login:

- Your name will appear in the top right corner. By clicking on your name above, you can edit your profile.
- The list of courses will appear at the bottom under the header "My Courses".
- Clicking on the course name will unveil the course details.
- Clicking the course number will lead to the course homepage.

7. The e-mails will be sent automatically to your university address, which is written as follows: `username@mail.tau.ac.il` . This address will receive all the system messages and the lecturer's messages from the course sites to which you are registered. Note: this address cannot be changed to a different one than your university e-mail address, but you can automatically redirect the e-mails to another email address. For questions regarding the university email, please contact [the Information Technology and Computing Division HelpDesk](#) .

8. Please pay attention! Courses in gray fonts are not available to students and cannot be entered until the lecturer will decide to enable access.
